5. Select *Response Lesson* as the **Lesson Type**.
6. Click on the **OK** button to accept the settings.
7. Highlight the lesson you would like to launch from the **Select Lesson** window.
8. Click **OK** to see the question and the Session Toolbar.
9. Join the class using the standard joining methods.
10. Start the question by clicking .
11. End the question by clicking .
12. Click  to advance to the next question.
13. After the lesson is over, end the session.

The screenshot shows a dialog box titled "Collect Responses - New Session". It contains the following fields and options:

- Name: Click (8/6/08 12:39:44 PM)
- Class: Click
- Subject/Section: (empty)
- Type: Participation
- Lesson Type: Response Lesson

At the bottom right, there are three buttons: a help icon (question mark in a circle), "OK", and "Cancel".

The screenshot shows a dialog box titled "Select Lesson". It has a "Sort By Creation Date" checkbox at the top. Below it is a tree view showing a hierarchy of lessons:

- Lessons
 - Macroeconomics
 - Statistics
 - Chapter 1 (highlighted)
 - Chapter 2
 - Chapter 3

At the bottom right, there are "OK" and "Cancel" buttons.
